

SAC / SoM Tutoring Program Code of Conduct

By requesting tutoring, it is understood that the student requesting tutoring is in need help of help in one of their classes or that he or she wishes to further understand course material. There are certain things that a student and tutor can expect:

1. No favors will be asked of the tutor. The tutor is there to further learning and not to do the student's work.
2. The student will bring all necessary materials to the tutor session.
3. The student and tutor will maintain a professional relationship with each other at all times.
4. The student can expect all academic concerns or information to be kept between the student, the tutor, and appropriate faculty.
5. Professional distance will be maintained by all parties – at all times.
